2027 SPONSORSHIP PROSPECTUS

APRIL 18-21, 2027 | KALAHARI RESORT | SPOTSYLVANIA, VIRGINIA

AN INVITATION TO PARTNER

For Kathy's Sake, Inc. and FACTS - Families for Accountability, Collaboration, Transparency, and Solutions - invite corporations, foundations, professional organizations, businesses, and community partners to support a multi-state working symposium focused on practical reforms in death investigations, medical-examiner systems, law-enforcement transparency, and public accountability.

FACTS is designed to move beyond conversation. Families, advocates, attorneys, researchers, faith and civil-rights leaders, policy stakeholders, and subject-matter experts will work together to compare state laws, identify gaps, develop model reforms, establish state action teams, and build strategies that can continue after the symposium.

WHY THIS WORK MATTERS

- Families deserve accurate, transparent and accountable death-investigation systems.
- Communities benefit when public institutions operate with clear standards, meaningful oversight and access to information.
- Multi-state collaboration can help advocates identify reforms that are practical, replicable and responsive to families' lived experiences.

THE PARTNERSHIP OPPORTUNITY

Sponsorship support will help underwrite meeting space, accessibility, audiovisual services, educational and legislative materials, speakers, family participation, travel assistance where feasible, registration, volunteer coordination, and post-symposium coalition work. Sponsorship recognition is available at multiple levels, with customized and in-kind partnerships also welcome.
